

# Week One

We made a house out of sticks, bricks and straw like the 3 Little Pigs. The brick house was the strongest house.

We were sharing our chicks and what they did over the Easter holidays. Our chicks went on holiday, they ate easter eggs, went to the cinema, went to soft play and made lots of nests.

In outside discovery time this week we have been playing with the sea creatures and jugs in the wate. We also played with Lego. We made an aeroplane and a vet!

We tried to blow them down like the Big Bad Wolf.
