

WEEK THREE

We have been reading Little Red Riding Hood. We have been cutting out foods to put in a basket for Granny. We have been telling the story with the finger puppets and story spoons and we dressed up in a costume.

We played darts. We had to take it turns and queue up like we do at break time. We had to wait for our turn.

In maths, we have been making repeating patterns. We made patterns with different colours. We had to make sure that all of the pattern was repeated, even if it was three things e.g. green, green, red.

We have enjoyed playing in the sun this week. We made a den that we could sleep in. We have also played with the water wall.
