

Week Four

At the start of the week we used lolly sticks to make our own aeroplanes.

We have been practicing our neat handwriting. We listen to learn how to write the letter and we make sure it is on the line.

We have been cutting out different aeroplanes, some people made puppets. We also created our own passports.

We have been writing shopping lists to get the ingredients to make Easter chocolate nest cakes. We wrote that we need chicks, cornflakes, chocolate and mini eggs.

In Discovery Time, we used the big blocks to make a car. We pretended that it was a fast red car.

We have learnt about the Easter Story. We know that Jesus dies on the cross. He was put in a tomb with a large stone covering the door, they found that the rock had moved and Jesus was alive, he was resurrected.
