

Week Three

We were building tall towers like skyscrapers in London and playing with our penguins in the south pole.

We read the story Emma Jane's Aeroplanes and have ben playing with aeroplanes and trains.

This week we have been using musical instruments to make songs and performances. We have been playing loud and quiet.

We have been playing with our houses and doors. We also saw some pictures of places in Basingstoke.

We have been practicing our neat handwriting using our pinchy fingers to grip the pen and write our letters on a line.
