

# TIDY TOWN THROWDOWN

**THURSDAY JULY 30TH**

**10.00-2.00**

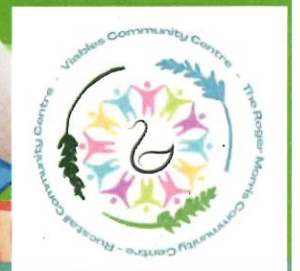

## Work together for the better

Great things happen when people unite with shared purpose and determination — when every helping hand, every small act of kindness, and every bit of effort come together to create lasting change, build stronger communities, and inspire a future filled with harmony and progress for all.

## Care for the Community

Support and uplift one another through kindness, teamwork, and a shared sense of responsibility, working hand in hand to create a cleaner, stronger, and happier environment — a place where unity thrives, communities flourish, and everyone can live with pride and harmony for generations.
