Dear Parents and Carers,

A part of our Art curriculum, Year 5 have been studying the artist and designer Orla Kiely. Many of you may be familiar with her recognisable prints and patterns. Last half term the children printed their own repeating patterns which they then digitalised in order to be printed on to a mug.

After a lot of collaboration from many members of staff, including Mrs Bailey and Mrs Hemmings, we are very excited to let you know that across the week, the children are going to be able to use a heat press to transfer their designs on to a mug.

The children will be able to bring these mugs home on Friday. We are asking for a small contribution of £4 to cover materials such as the sublimation printer inks, and the mug. This payment will be set up on Parentmail.

The mugs are microwave and dishwasher safe so please use and enjoy them. The children have worked hard on their designs and we think they look very professional.

Many thanks

Miss Kay

(Art Leader)
