Dear Parents and Carers

I am writing to share some important news with you.

At the end of this academic year, Miss Kay will be leaving Rucstall Primary School to take up a promoted position at another school. Whilst we will be very sad to say goodbye, we are incredibly proud of her and wish her every success in this exciting next step in her career.

Miss Kay has been a valued member of our school community for the past eight years and has made a significant contribution to the life of the school. Throughout her time with us, she has led key areas including music, art and phonics, helping to shape the rich and creative experiences our children enjoy.

Many of you will know the positive impact she has had in supporting children to learn to read. She has also worked closely with parents, offering support and guidance to help build children's confidence and success in reading at home.

Music has been a particular strength during her time here, with Miss Kay organising a wide range of events and opportunities for pupils to perform and develop their talents. Alongside this, she has led creative art days and enriched our curriculum through engaging and inspiring experiences.

She also played a key role in developing our 'feelings characters', which you may have seen around the playground. These have been an important part of supporting children to understand and regulate their emotions.

We would like to thank Miss Kay for her dedication, creativity and care over the past eight years. She will be greatly missed by both staff and children.

We will be in touch over the next few weeks to confirm teaching arrangements for the next academic year.

Yours sincerely

Miss R Hughlock

Headteacher
