

Week Four

We have been learning about People Who Help Us. We dressed up as Police Officers and played with the police cars. We learnt that police officers use handcuffs and look at peoples fingerprints for evidence.

We had a dentist surgery set up in our role play and we checked and brushed the teddies teeth.

Outside, we made a police car and a police helicopter with the big building blocks.

We were learning about capacity and were counting how many cups of water it took to make it full up.

We stuck our circles onto a big piece of paper to make our Kandinsky art.
