

Week Three

This week we tried to capture Evil Pea! Evil Pea trapped Supertato and the veggies. To rescue them we wore superhero capes, we set laser traps, we used tweezers to save the veg and pull up the tape. We have been doing careful cutting to make Supertato puppets to act out the story. We have been writing a wanted poster to describe Evil Pea so people know what Evil Pea looks like.

We played outside making obstacle courses and rolling sprouts to get them in the bucket.

In Art we painted our circles using primary colours. We mixed blue, red and yellow to make purple, orange and green.
