

Week Two

We used junk modelling to make Stickman items such as rockets and boats.

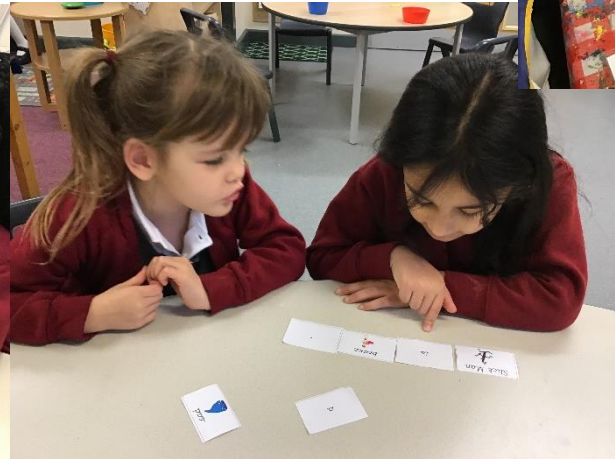

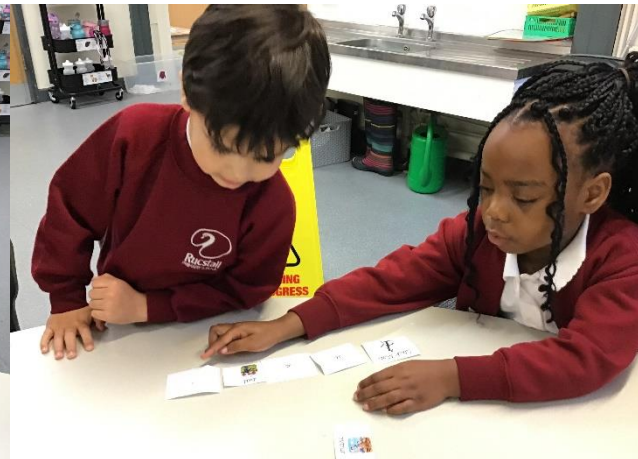

We used the 3 primary colours to mix together to make new colours, such as green, orange and purple.

We were sorting out seasons, putting the correct images in the correct season. For example we put the snowman in the winter pictures.

We caught water dripping off the red roof and we used it to made soup and potions.

We made a campfire to toast our marshmallow.

We used word cards to create sentences about Stickman. Such as Stickman was brave. Stickman was angry. Stickman can be used to draw with.
