

Week Five

This week we had a post office in our classroom. We have our letters, we put it in an envelope and we stuck a stamp on the outside. Then we can post them.

We decorated our Christmas tree that Elfie put up. We were worried he was going to fall but he was okay. Elfie put up the decoration on Monday and he was so sleepy!

In Art this week we used scissors to cut houses for our Starry Night picture.

In Discovery time, we played with the Coding Critters. They followed the black line.
