

Week Three

This week we have been reading Aliens Love Underpants. We went in a spaceship with our friends like an astronaut. We had a go at a space puzzle and we pegged some pants on the washing line for the aliens.

This week there was some snow. It was very cold this week. We watched the snow out of the window.

It was positive noticing day so we all said something nice about another child in the class.

In our discovery time, we have had a go at colouring some aliens and we have designed our own pants. We used our Phonics to spell some words with letters.
