

Week Two

It was Remembrance Day this week. We learnt about the poppies to help us remember the people who fought in the wars so we can be safe. We cut out poppies to make a wreath, we printed poppies and made them from cubes.

In writing this week, we made our own story 'we're going on a Santa hunt' we made maps and drew story books.

In PE this week, we made shapes on the wall bars. We made pencil, straddle, pike, star and tuck.
