

We have been making some food for the Tiger. We made some tea with leftover teabags. We also made some chocolate cake for the tiger. We made an obstacle course and a bridge.

We have worked hard to earn our class reward. We had an obstacle course that we played with, it was fun!

We have been looking at the artist Holbein. We have been painting a picture of ourselves. This is called a portrait. First we did our hair and our skin. Then we painted our eyes, eyebrows, mouths, noses and ears.
