

Week Six

We read The Tiger Who Came to Tea and we had a tea party for the hungry tiger! We also built chairs for the tigers to sit on.

This week we had some pumpkins, we hammered nail in to them then we got the seeds out. We made a giant obstacle course all the way to dragon mountain.

We went on the balance bikes this week. We learnt how to follow the leader, play red light green lights, went on the big playground, how to put a helmet on and how to check our bike.
