

Week Five

In phonics we been learning new sounds. We learnt the sounds b and u. We drew a boot and umbrella. We have been practicing our writing using our sounds.

We also made some repeating patterns.

Outside, we made a bug house, we found a caterpillar on the floor. We were swinging on the wobbly bridge, we had to work together to share the space on the bridge. We were making a tea party for baby bear, he had 3 people coming to his party.

In maths we have been learning about numbers 1, 2, 3 and we have finding different objects to represent these numbers.
