

Role play cards – KS2

<p>Scenario 1 A new child has started school. You see them on their own at lunchtime on the playground. What do you do?</p>	<p>Scenario 2 You are showing a family around the school who do not speak English. You do not speak their home language either. What will you do?</p>
<p>Scenario 3 A child you are helping in the classroom does not understand when you say the word 'lorry'. How can you help?</p>	<p>Scenario 4 A child you are working with will not reply when you ask them a question. You do not know if they understand or not. What do you do?</p>
<p>Scenario 5 You are asked to speak to a child who has the same language as you. There is a problem which needs sorting out but the child does not speak English. What can you do?</p>	<p>Scenario 6 You are working with a child who cannot read in English so you are asked to read them a story. How can you help them to understand what you are saying?</p>
