

Rucstall
PRIMARY SCHOOL

Parent/Carer Handbook
EAL

At Rucstall Primary School:

- We are fortunate to have many languages spoken at our school,.
- Some of our pupils were born in the UK and others have settled here.
- At Rucstall Primary School, we do not have a large cohort who speak the same language but will offer support to all new pupils.
- We are aware that some of our children with EAL are literate in their home language as well as in English.
- There are some of our children with EAL, who have had no experience of formal education in their home country, so we will endeavour to support them with this step.

We believe:

- Our children with EAL are entitled to opportunities for educational success that are equal to those of our English-speaking children.
- We believe that bi/multilingualism of our children and staff enriches our school and our community.
- We feel it is important that children with EAL have opportunities to use their home language at Rucstall Primary School, where appropriate.
- We believe all staff, and the wider school community, play a crucial role in modelling language.

We support our pupils by:

- We have a team of Young Interpreters who will support a new arrival at Rucstall Primary School.
- We refer all children to EMTAS (Ethnic Minority and Traveller Achievement Service) for an assessment in their home language in order to support their learning at Rucstall Primary School.

We are aware that many of our parents may not speak English, we aim to offer support in the form of:

- Providing information in home language (if requested)
- EMTAS helpline numbers
- Bell Foundation advice booklets and information
- Arranging translators for significant meetings
- We must emphasise the importance that children with EAL continue to use their home language in the home, as many concepts and skills depend on and benefit from a well-developed home language, which enhances subsequent acquisition of EAL.

EMTAS Türkçe Danışma Hattı (sadece okul zamanında)

Gün: Çarşamba
Saat: 13:00-15:00

Özgül Springett

How can Parents help?

Parents should continue to speak, read and write with their child in the first language. Having a strong and developing first language will help the child to learn English.
