

Sport Premium Funding Impact

In considering the impact of the Sport Premium funding, we look at how well we use our Sport Premium to improve the quality and breadth of PE and sporting provision, including increased participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of. Records are kept of the numbers of pupils involved in sporting activities both inside and outside of school.

Vision:

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

Objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools:

Success Criteria

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school
2. The profile of PE and sport (PESSPA) being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

PE and Sport Premium Key Outcome Indicator	School Focus/ planned <u>Impact on pupils</u>	Planned Funding	Actual Funding	Actions/Evidence	Actual Impact (following Review) <i>on pupils</i>
4. broader experience of a range of sports and activities offered to all pupils	Children engaging in varied and additional sporting opportunities on a daily basis as lunchtimes.	£7000		Additional x2 LTSA to be employed to increase children's access to active games every day all year round. Active surveys annually. To include access to scooters and skateboards daily.	
1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles	Children engaging in varied and additional sporting opportunities on a daily basis as lunchtimes.	£4000		Additional x2 TA to be employed to increase children's access to active games every day all year round. Active surveys annually.	
3. increased confidence, knowledge and skills of all staff in teaching PE and sport	Progress last year through CPD improved children's perceptions and engagement in dance. The same approach is going to be used to target engagement and teaching of invasion games and CPD for new teaching staff. A specialist teacher has been employed to improve this area. This	£2500		Pupil conferencing and video evidence demonstrates children actively engaged in lessons and enjoying this learning. Teachers share improved confidence and abilities to teach gymnastics, dance, hockey, invasion games and tennis.
