

Ash Class - Example

All home learning activities can be found on Google Classroom. Please try to 'turn in' as much work as you can using Google Classroom so your class teacher can provide your child with feedback. As always with technology, there will be some teething issues to begin with but we hope to have everyone up and running as soon as possible.

A suggested timetable for EYFS home learning

					
Maths	English	Understanding the World	Phonics	Expressive Arts and Design	Keeping Active!
Mrs Koranteng will have lots of short activities for you to do with someone at home. There are also some videos and songs for you to enjoy!	Discussion based tasks with your child on different topics. We will put some stories on for you to share with your child too.	Each week we will upload a variety of activities to explore the work of people who help us.	Please watch your child's video and support with their phonics learning.	Lots of ideas of tasks and activities for the children to complete.	Look out for the ideas and activities to develop your child's motor skills.

If you do not have access to a printer, please adjust the activities using what you have. Your teacher may upload other work such as handwriting or craft activities for you to have a go too!
