Monday 10th November 2025

Dear Parents/Carers

Geography: What is special about our school and our street?

As part of our Geography unit, the children will be going on a walk of our local area on the afternoon of Wednesday 19th November. The children will learn about:

- What can be found on Holbein Close.
- How Holbein Close compares to where they live.

Following on from the visit, the children will share with their class what they saw on their walk and use this to compare Holbein Close to their own street. This will also help them begin to learn basic map skills.

Please ensure your child has a coat in school on this day.

Please can children bring into school, or email into the school office, a photo of the street they live on before Monday 17th November. This will be to use as part of their Geography lessons.

There is no cost to parents/carers for this visit and as this falls under a local trip, there is no requirement for a permission slip.

Yours sincerely,

Miss Barber
