Tuesday 30th September

Dear Parents/Carers,

Pizza Express

As part of our Design & Technology unit, the children will be visiting Pizza Express on Tuesday 14th October. Each child will learn about:

- The process of how to make a pizza
- What mass produced means
- Know how to adapt a recipe to change the appearance, texture and aroma

Following on from the visit, the children will be putting their culinary skills to the test to design and make their own pizzas back in school this half term. The challenge is to see if they can make one that tastes better than Pizza Express!

We will be walking down from school at 9am and will be back at school for lunchtime. The children will need to wear school uniform.

There is no cost to parents/carers for this visit and as this falls under a local trip, there is no requirement for a permission slip.

Yours sincerely,

Mr White

Rowan Class Teacher
