Costs are kept to a minimum, to enable as many children to attend as possible. However, a minimum charge is made to support the provision of resources, and some staffing costs, for these extra-curricular opportunities.

If your child would like to attend: you are struggling financially; they receive Free School Meals; then please contact the school to discuss support to enable equal access to these opportunities.

WOULD YOUR CHILD LIKE TO PLAY IN THEIR VERY OWN ROCK BAND?

Dear Parent or Guardian,

Remember, the reason your child wants to do this is the opportunity for your child to learn an instrument, because they like it, they can be creative, and have fun working on it. They are going through the learning process. They are going to do a lot of practice, listening, and performing when they go to school.

Important things to know:

- Lessons are held during the school day. There is no equipment necessary as all instruments are provided at the school.
- Your child can choose from **guitar, saxophone, keyboard, drums or bass guitar** (subject to availability). They can also learn more about other instruments like singing and DJing.
- Your child will be given an opportunity to perform in front of an audience at the school during their lesson. This is a great opportunity for your child to show their talent.
- Lessons are held by experienced teachers who are highly qualified and professional musicians who are available on a 1-to-1 basis. They are also highly experienced in working with children with special needs.
- Your child will receive a free **10-minute** session to try out their instrument. This is a free trial of our lessons.

Please contact us for more information. We are happy to help you with any questions. We are happy to help you with any questions. We are happy to help you with any questions.
