Dear Parents/Carers,

We are pleased to introduce to you a new additional uniform supplier for Rucstall with real benefits for parents!

Attached is information and a flyer about Flamingo Clothing. This company will operate in addition to Skoolkit and offer exactly the same items. We believe that this company offers a strong provision for parents and their addition has been welcomed by the Governing Body and our Parent Perspective group, who were consulted as representatives before this change.

There are numerous benefits to this company for both parents and the school:

- Cheaper delivery costs and free returns
- FREE name printing inside jumpers etc
- Cheaper item costs
- Easy online ordering
- Improved sustainability of products
- 5% cashback for the school from parent purchases
- A bespoke fitting/sizing service and attendance at school events
- Future pre-loved uniform purchasing and money back

Flamingo Clothing will be present at our upcoming new to EYFS event and the Summer Fayre to meet you all. They will also be able to give you the opportunity at these events to try on sample sizes for ordering and for you to see their products. Whilst Skoolkit will remain a supplier, so parents can visit somewhere instore if desired, the company provide little as an offer back to the school when profiting from parental engagement. Therefore, Flamingo Clothing offers a good alternative and we hope that you agree!

Kind regards,

Mrs R Griffiths
