Rucstall Enrichment Opportunities
Summer Term 2025

Dear Parents/Carers,

We are pleased to be able to offer the attached opportunities for children in the Summer Term. There are some additional small group and 1:1 opportunities that are also taking place. Parents will notice that we are offering half-termly clubs now, in order that we can offer a wider range of clubs across the year and opportunities to the children.

When considering a club for your child, please do ensure that they have an interest in the area and that a commitment is made to attend every session. Staff provide these opportunities to enrich children's personal interests and expand the opportunities available to them, therefore places gained should be highly sought if requested.

Please see attached a list of the opportunities available to the children next term. If you would like to book a place for external clubs please contact the independent provider using the links in the club grid. For internal clubs, please complete the relevant Parentmail form as an expression of interest. The deadline for internal club forms is midday on Tuesday 1st April.

Places for in-school clubs will be confirmed by the office by Thursday 3rd April for clubs to start w/c 22nd April (for those that are running for the first half term). Places will be distributed to provide as many children with an opportunity as possible, beyond this names will be randomly drawn for allocation. If there is a cost attributed, this will be added to your child's Parentmail account on confirmation of their place – this must be paid in advance. If you book on a club offered by an independent provider, then you will need to pay them directly.

All clubs will be dismissed from the Hall doors only. Please congregate outside the hall doors and if there is more than one club being dismissed we will use both exits. An adult must collect the children (Year 6 children only can be given permission to walk home).

Kind regards,

Mrs R Healy

Enrichment Leader
