Headteacher: Mrs R. Griffiths

24th February 2025

Dear Parents and Carers,

In recognition of both International Women's Day and Mothering Sunday, we are hosting a 'Women's Appreciation Afternoon' with the children in school. The event has been co-organised with the children from our EARA team (Equality and Rights Advocates) who would like to recognise the women in our community.

On Friday 28th March children can invite one significant woman in their life into the school to experience a range of activities designed to celebrate the achievements and aspirations of the women they have brought as guests. Details of how the afternoon will look will be sent after the EARA Team have received responses to their survey in the newsletter.

We ask that each family of children, or child, selects only one significant woman per family. Due to resourcing, like previous events, we are charging £2.50 for the afternoon experience (one charge per guest only). If you are interested in joining us for the afternoon, then please complete the form and pay online through Parentmail. When completing the form, please indicate which of the two timeslots you would prefer (13:30 - 14:15 or 14:30 - 15:15).

We ask that the form is completed by 14th March 2025 and your time slot will be confirmed on Monday 17th March 2025. We regret that we may not be able to include you if you have not responded by this time. Please also note that we will do our best to accommodate your preference but this might not be possible due to restriction on capacity.

After the sessions, children will return to their class to continue their learning until the end of the school day.

We hope to see you there!

Kind regards,

Ms Baugh
Assistant Headteacher
