Headteacher: Mrs R. Griffiths

Dear Parents and Carers,

We are excited to share plans for an Activity Week for Year 6, which will run from **Monday 30th June to Friday 4th July**. This is the week of the residential (Wednesday 2nd July to Friday 4th July).

As part of the week, we are proposing to bring back a **day trip to Paultons Park** on **Monday 30th June**, which was a much-enjoyed feature of past years but was not included in last year's offer. We are thrilled to offer this experience again!

The trip would cost approximately **£30 per child**, which includes entrance to the park and travel. For context, the usual cost of an advance ticket is **£45**, and tickets purchased on the day cost **£60**, making this a fantastic opportunity.

Following on from Paultons Park, on **Tuesday 1st July**, children will take part in an exciting **STEM day**, featuring DT challenges linked to the development of fairground rides, creating a fun and memorable start to the week before heading off on the residential.

To help us gauge interest in the Paultons Park trip and finalise our plans, we kindly ask you to complete the poll linked below to indicate whether you would be able to fund and support this additional activity.

Please complete the form on ParentMail.

Please note that this poll is purely to assess interest at this stage. We will require interest from all to proceed. Alternatively, we will host an in-school day.

We would appreciate it if you could respond by **24.1.25** as this will help us confirm arrangements.

Thank you for your time and support.

Kind regards,

Mr N Blake

Deputy Headteacher
