Headteacher: Mrs R. Griffiths

Friday 10th January 2025

Dear Parents/Carers,

Year 6 KS2 Assessment Information Evening

As you may already be aware, the Year 6 Statutory Assessment Tests (SATs) will take place this year on the week beginning Monday 12th May 2025. Like previous years, the children will sit a grammar paper, a spelling paper, a reading paper and three maths papers (one arithmetic and two reasoning).

The children are also required to sit two science papers in the summer term to aid with our teacher assessment, but these are not externally marked.

We understand that some of you have children who have been through Year 6 already, but for many of you the SATs process is brand new. In order to keep you updated about what happens during the SATs week itself and how we prepare children for this, we have organised an information meeting on **Wednesday 5th February at 5pm**. This will take place in the school hall.

During the meeting we will cover how we are preparing children for the tests in school as well as how you can support your child at home. There will also be an opportunity to answer any questions that you might have.

Yours sincerely,

Mrs Healy and Mr Blake
