Headteacher: Mrs R. Griffiths

Dear Parents/Carers,

Geography: What is special about our school and our street?

As part of our Geography unit, the children will be going on a walk of our local area on the afternoon of Tuesday 19th November. Each child will learn about:

- What can be found on Holbein Close?
- How Holbein Close compares to where they live?

Following on from the visit, the children will share with their class what they saw on their walk and use this to compare Holbein Close to their own street at home. Also, to help them begin to learn to develop basic map work skills.

The children will need to wear school uniform and ensure they have a coat in school.

Please can children bring into school or have emailed to the school office, a photo of the street they live on at home for Monday 18th November, to use as part of their Geography lessons.

There is no cost to parents/carers for this visit and as this falls under a local trip, there is no requirement for a permission slip.

Yours sincerely,

Miss Tice
