13th November 2024

Dear Parents/Carers,

We hope that you can help us with gathering together some resources for our youngest children in Ash Class.

We are gathering and adding to our outside learning environment to enhance the learning opportunities for the children and are looking for some items!

We are looking for the following items:

- Cable drums (wood or plastic)
- Guttering
- Plastic pipes
- Wood planks (safe for children use e.g. decking planks)
- Plastic crates for storage

If you work in a trade, or have access to any of these items that you would be able to donate to the school, please get in contact with the school office.

It would be appreciated if you could speak to the school first, so we can manage potential donations. Your support and help with this is greatly appreciated.

Miss Kay

Ash Class Teacher
