Dear Parent or Guardian,

Rocksteady in school band lessons are the perfect opportunity for your child to learn to play an instrument, develop life skills, have fun, gain confidence, and boost their wellbeing. As they progress through the Rocksteady curriculum, they will collect up to 100 different instrument, musicianship, and performance skills along the way.

Here's what you need to know:

- Lessons are held during the school day. There's no experience necessary and all instruments are provided, so it's very inclusive and accessible.
- Your child can choose from **drums, vocals, keyboard, electric or bass guitar** (subject to availability). They'll join their bandmates for a weekly 20-minute lesson, where together they'll learn to play their favourite songs.
- You can proudly watch as your child performs in their end of term performance, showing you and their friends just how far they have come, and how far they could go. You can also **follow their musical journey** in your **Parent Timeline** from your Rockstage account.
- Loved and trusted by thousands of schools, lessons are taught by experienced professional musicians who make music education fun. Your child's band leader will support and **inspire** them, while making sure they progress at their own pace.
- Your child will become either a **Mini Rocker** (Reception to Year 2), **Rock Hero** (Year 3 and Year 4) or a **Rock Icon** (Year 5 and Year 6).

Please are offered on a first come, first served basis. Selecting different instrument options will also give you the best chance of getting a place.

For more details on availability and cost, visit rocksteadymusichool.com, and find your school on the sign up page or call **0330 113 0330**.

Best wishes,
