Year 6 – Willow Class

Class teacher: Mrs R Healy

Support staff: Miss K Radford

As ever, I am sure you will appreciate that the school has given a lot of time and thought in to how we have organised the classes to ensure the best support for all children.

As usual, classes will have the support of a teaching assistant for morning lessons. In the afternoons our teaching assistants will continue to deliver more specialised interventions across the school to those identified as needing additional support to make at least, and better than, expected progress. As a school we utilise much of our funding to enable children to have this level of support and provide Quality first Teaching.

You will have noticed that Mrs Murphy who has been with us for a few years is moving on due to personal relocation. Mrs Koranteng, who has been with us for many years is also leaving us after having been absent for much of this year – we wish them both well.

The Senior Leadership Team welcomes Mr N Blake as our new Deputy Headteacher, who will work alongside myself and Mrs Baugh, our Assistant Headteacher. Mr Blake, as well as our new teachers, will be available on the 17th July after school to meet parents.

All children will have the opportunity to meet their new class teachers on the afternoon of the 17th July 2024. Year Five have will have already spent two days this week with Mrs Healy and parents are welcome to meet her this Friday also, as she will be absent on the 17th July 2024.

At the end of the day on the 17th July (collection time) we would like to welcome parents/carers (current YR to Y4) into classrooms to meet their child/ren's new teachers (teachers will be in their new classrooms).

In September, we will be holding our information meetings for all year groups after school. These meetings will tell you about the expectations of the year group and how to help your child over the course of the year. They also ensure that channels of communication, partnership and honesty are established. The education and development of our children is a joint responsibility between school and home, and it is vital that we work together.
