Rucstall
PRIMARY SCHOOL

Hazel Class

I am part of Rucstall Primary School.

I am getting older
and so I must move
up to the next class.

When I start my new
class, some things
will be the same and
some things may be
different.

The adults will help me to settle in.

It will be exciting to learn new things!

When I come to school in September, I will be in Hazel
Class and my class teacher will be Mrs. Earl.

Mrs Bailey will also be helping us with our learning in the
classroom and some afternoons.

I will see my friends.

My teachers are very excited to meet me and welcome me to my new class. They have been planning lots of new learning for me.

I may feel excited about starting my new class, or I may feel worried or scared.

That is okay. It is normal to feel this way.

If I am worried, or have any questions, I can always talk to an adult who can help me.

There may be some different things about how my class works, but the teachers will show me what to do.

All children need to go to school to learn and to practise new things.

It is good to start a new class.

I am part of Rucstall Primary School.
