

# September News

The Official Newsletter of Rucstall Primary School

Dear Parents/Carers,

*WELCOME BACK!*

We hope that everyone had a pleasant summer break. It is fantastic to see all the children back today – they're all looking very smart!

A few start of year reminders are included below, as well as our Diary Dates for the upcoming term. It is our intention this year, following feedback from Parent Perspective meetings, to email these out weekly on a Friday. We will also be continuing to try to save communications across the week and collate them into one email on a Friday. It is our continued aim to make this manageable – we understand how busy parent life is! If there are any diary changes, these will be highlighted to avoid you needing to check them over.

The website also contains all dates, which you can link to your own electronic calendars also.

We look forward to seeing you all at our upcoming information meetings. Teachers will be sharing information vital for your child this year, both educationally and regarding organisational matters such as home learning.

Kind regards,

Mrs R Griffiths  
Headteacher

## REMINDERS

### Medication and Forms

Each academic year we are required to have a new medical form for each medication we are required to administer. Your child will come home with a form today, if we had been expecting them to have medication with them.

- Please ensure you bring your child's medication along with the completed form into the school office before Friday 6<sup>th</sup> September.
- If your child bought the medication in today but did not have the form, we only require the form.
- For children that have previously been administered medication but no-longer require it (things like inhalers) please do email the office team and update them, so we can amend our records.

- Any new medical concerns must be brought to the office team's attention directly.

### Year 6 Permissions

Now that the children are in their final year, parents can give them permission to walk home or meet at the top gate. Please complete [this form](#) by Friday 6<sup>th</sup> September at 3pm if you would like to give your child permission.

### Rucstall 50<sup>th</sup> Anniversary

Today saw Rucstall open for its 50<sup>th</sup> year to children! Therefore, we will be celebrating this anniversary and our Ofsted outcome in style on the 27<sup>th</sup> September 2024! Details will follow, but parents are asked to collect their children on this date at 1.30pm to enjoy an afternoon of celebrations together across the school grounds. Think jubilee but bigger! There will be a range of activities for the children, food options, special guests and more! Please pop it in your calendar in readiness.
